CALL HOME!

Home is more than a place

What does it mean to feel at home? That's what teachers tell you in high school, that you should go to a school where you can see yourself living. You want to go somewhere comfortable, somewhere that makes you feel at home. Home is defined as the place where one lives permanently, especially as a member of a family or household. That is what ICC seemed to be to you when you submitted your application. ICC is the place that you get to call home for two years. Over those two years, it helps you to realize something... Home is so much more than the place you live; it's the feeling you get from living there.

NEWSMAKERS

DIVISION

Throughout the year, the Indians were constantly showing up in the news. From winning Most Beautiful to graduating, these Indians definitely made their mark on campus. Some students made their marks by excelling in academics, and were honored at ICC's honors ceremony. Others made their mark by being elected for this year's homecoming court. No matter how the students at ICC made a statement, they each found ways to call ICC their **home**.

ICC CLASS OF 2014

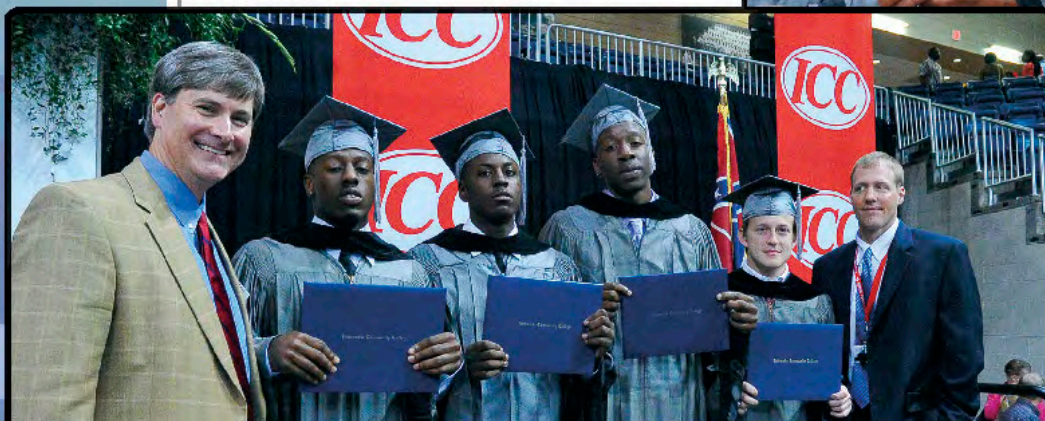

"You are something special," said Fulton attorney Tom Childs to the 2014 graduates on May 17 on the Fulton Campus.

Childs, who has had a lifetime connection with ICC, cited the importance of leadership, which has been key to the success of Itawamba Community College and its premier status in the region, state and nation. "You have leadership in your class."

"In reading the program, I noticed that many of you are graduating with honors," Childs said. "Many of you are Phi Theta Kappa members."

"I know how hard many of you have worked to reach this place today." He cited an example of one student who worked 30 hours a week in a restaurant while attending classes full time.

The Men's Soccer season of 2014 was one that saw many records set both individually and team-wise. Ben Schaefer almost rewrote the records for a goalkeeper during the season as he was named national keeper of the week two times and the Mississippi keeper of the week five times. He also set a record for shutouts with seven in a season, which is also the career total record as well. He is #1 in career goals against average and winning percentage. Anthony Fernandez set a record with six goals in one game and was featured on ESPN Sportscenter "Top 10 Plays of the Day" for his effort against Southwest CC. The team set a record for biggest win in a single game as they defeated Southwest CC 11-0 and also set a record defensively by only allowing 0.9 goals per game. The team lost a 3-2 match in double overtime in the state tournament quarter finals to Jones CC. The team had a great season finishing at 13 – 4 – 0 overall and second in the north division with a division record of 5 – 3 – 0.

SUCCESS

In Coach Sean Cannon's first season as the ICC Indians head coach, the team finished the season tied for second in the North Division, and just missed the playoffs as Northwest held the tiebreaker, with an overall record of 4-5.

With only 17 sophomores on this year's roster, the Indians were able to get a lot of young guys experience which should help them when they move into spring workouts.

This group represents ICC at numerous public functions and serves as a major recruiting tool for the area high schools. Members of "CenterStage" are talented vocalists and instrumentalists who are chosen through an audition process in the spring. Potential crew-members are also interviewed and recruited in the areas of sound, lighting, costuming and much more. Not only do the members of the group receive training and experience in the performing arts, but they also learn the value of working together as a team. The group presented their fall show on November 13, 2014 and their spring performance was held April 23, 2015.

Sara Hastings, played by Mary Chandler Izard, is an unmarried lawyer in her mid-thirties, much too busy to get involved in any romance. Her Aunt Martha, played by Daniqua Stephens, has decided to take matters into her own hands and find her a husband.

Aunt Martha's choice is Brandon Cates, played by Noah Sipes, the young man who handles her finances. Although Brandon is already engaged to be married, this does not deter Aunt Martha.

#COLLEGE LIFE

ICC PRESIDENT

MIKE EATON

Itawamba Community College's tradition of pride, service and excellence continues, but the best is yet to come.

There's much to be excited about...the College has earned recognition as one of the most affordable in the nation...an exciting five-year plan that will put a new face on the Tupelo Campus...a sizeable grant that will enhance efforts for a healthier ICC...and significant new initiatives that will reinforce the College's footprint in the region.

AffordableColleges.com, a newly-launched website, ranked ICC, which has an average in-state tuition of \$2,100 per semester and a 51 percent institutional financial aid rate, 43rd in the nation. Providing affordable and accessible education is a significant component of the College's mission, and national recognition of that endeavor is an indication that we are fulfilling that mission.

Within the next five years, heavy equipment and construction crews will reshape the Tupelo Campus. The demolition of a faculty house and structures that have housed technical programs and the physical plant will provide space for a general academic building that will include a commons area, food service, classrooms and administrative offices. Renovation of the technical education building will enable students to utilize state-of-the-art laboratories which will be located there. Our desire is to make the Tupelo Campus a better place for faculty, staff and students and to give the campus a much-needed facelift. In addition, a FEMA grant will make it possible to construct a 21,000-square-foot band hall with a safe room on the Fulton Campus, which will provide better accommodations for the ever-growing All-American Band as well as a facility that will enhance the College's endeavor to protect its ICC family.

An eighteen-month Blue Cross & Blue Shield Foundation grant will enable the College to provide expanded health and wellness opportunities not only for our faculty, staff and students, but also for those in K12 as well as in our community.

Initiatives such as dual-credit, mini-terms and the summer bridge program (LEAP) coupled with the innovative centers for Advising, Writing and Student Success will enhance ICC's efforts to ensure that students receive an unparalleled educational foundation.

Serving as the president of Itawamba Community College is both an honor and a privilege. On behalf of the College, thank you for the opportunity to provide a place that thousands of students call home each year. I join the other members of the ICC family in celebrating our success this year and looking forward to a future that will continue our legacy.

#A Place

Colophon

This 2014-2015 edition of the *Mirror* is the compilation of many hours of hard work by the staff members. The staff began the long process of choosing and designing layouts in the early fall. The title “**A Place to Call Home**” was chosen to reflect the atmosphere that students enjoy while attending Itawamba Community College. The staff also used a social media design throughout the book.

Photos were chosen and copy written by each staff member for every two-page spread of the 176 page yearbook. Pages were submitted in a series of four deadlines to the Josten’s yearbook plant for processing of proofs, revisions and final printing.

We, the editors, would like to thank Josten’s for their assistance and wonderful customer service while we battled to meet our deadlines despite several bouts of snow days. We would also like to

thank our staff members for their dedication and our advisor, Kim Wiygul-Williams for all of her help to create this publication, and also for her photography.

Thanks goes to Maggie Caldwell and Lee Adams for their great photographs, to Adam Gore for sports information, and to the entire Community Relations department for their assistance.

We worked diligently to produce a yearbook that would positively reflect the time you spent here at ICC. It is our hope that the 2014-2015 *Mirror* will bring back lots of memories for years to come.
